

FOX LINTON

FABRIC MINARD

Colour Shown: Coffee Macaroon (9 colours available) FL010085001

With two tone detailing in the brighter weft and woven on both a natural and bleached premium European linen warp, Minard offers a subtly different appeal to its sister linens – Arden and Colgrain, but all lend themselves beautifully to both classic and contemporary settings. Woven using premium European Linen. Inherent characteristics of yarn may include slight natural inconsistencies.
