FABRIC

SILK WOOL

Colour Shown: Silver (48 colours available) FL010009001 (FL0009/01)

Our signature Silk Wool is constructed using a combination of the finest silk yarn on the face and a lustrous wool yarn on the reverse to create a stunning drapability. Woven in a satin weave, the fabric is then carefully scoured in water. The combination of the yarn weave construction and finish creates a soft sheen on the surface. Silk Wool is sophisticated, elegant and timeless.
