FABRIC

SUMMERLEAZE

Colour Shown: Snow White (5 colours available) FL010061001

Summerleaze is a light and elegant double width sheer, available in six complex colourways. With a cashmere, wool and linen mixed composition, Fox Linton has combined fibres known for their sumptuous drapability and touch. The colour palette combines classic sheer colours like Snowy White with more unusual tones, like Teal. As always, Fox Linton has looked to the British landscape for inspiration.
