

FOX LINTON

FABRIC WELLS

Colour Shown: Natural (6 colours available) FL010050001

For Autumn/Winter 2019, Fox Linton launches its first graphic geometric on a luxurious 100% wool composition. The bold large-scale design is a first for the brand, well-known for its luxurious neutral range and muted palette, but still has a timeless element thanks to a carefully selected colour range. Wells would work beautifully as cushions or statement curtains in both a contemporary and traditional setting.
