

FOX LINTON

FABRIC HAZE

Colour Shown: Haze (1 colours available) FL0028

Summer Breeze is a collection of 19 light weight sheer fabrics. Each of the fabrics has a slightly different weave construction and yarn content. This combination of construction, yarn and finish is selected to create a beautiful drape and handle. All of the fabrics are produced using 100% natural fibers in combinations of wool, silk, linen and angora. The colour palette ranges from soft creams through to subtle pale and mid grey tones.
