

# FOX LINTON

FABRIC

## KETTLEWELL

Colour Shown: Fog (11 colours available) FL010036001 (FL0036/01)

Kettlewell is constructed using 52% silk and 48% wool of the finest quality, woven on an end and end warp to create a unique surface appearance. Kettlewell is available in a soft focused palette of 11 metallic colourways, which enhance the structured weave effect, ideal for curtaining.
