## FABRIC

# LAMBSWOOL

Colour Shown: Camel (26 colours available) FL010011004 (FL0011/04)

One of our bestsellers, Lambswool is a satin weave construction in a beautiful lambswool yarn. The satin construction and the premium finish creates a beautiful, timeless drape quality. The fibres are handled with extreme care during finishing; they are first scoured in water and then blown, which avoids using any harsh chemicals. Available in a varied colour palette, Lambswool offers hues that are both classic and understated.
