POLPERRO

Colour Shown: White Cliffs (7 colours available) FL010055001

Timeless Polperro offers a classic houndstooth in seven neutrals from warm and soft sandy tones, inspired by sandy beaches, to cooler and bolder charcoal and navy, inspired by the drama of the sea in a storm. With 48,000 rubs and a medium weight, this heritage design is suitable for both curtaining and upholstery. Wool is insulating, antibacterial, naturally fire resistant and kind on the environment, which makes it suitable for a multitude of settings. The luxurious composition of Polperro, 10% cashmere and 90% lambswool, and the reversible cloth, also means it works beautifully as a bed throw.
