FABRIC

SILK WOOL STRIPE

Colour Shown: Silver (5 colours available) FL010010001 (FL0010/01)

Our signature fabric Silk Wool has been adapted into a classic stripe. One stripe has the finest silk on the face, while the other has a lustrous wool yarn, creating a discernible subtle sheen on one stripe and a soft matt on the next. Our Silk Wool is returned to time and time again for its incomparable drapability, elegance and timelessness.
