## FABRIC STRATUS

Colour Shown: Stratus (1 colours available) FL0025

Summer Breeze is a collection of 19 light weight sheer fabrics. Each of the fabrics has a slightly different weave construction and yarn content. This combination of construction, yarn and Ønish is selected to create a beautiful drape and handle. All of the fabrics are produced using 100% natural Øbers in combinations of wool, silk, linen and angora. The colour palette ranges from soft creams through to subtle pale and mid grey tones.
