

FOX LINTON

INDOOR/OUTDOOR FABRICS

STUDLAND

Colour Shown: Papyrus (F) (22 colours available) FL010068001

Studland is a very textural double sided fabric offering two very different looks. Its face side has a subtle tweed appeal while the reverse delivers more of a colour block with a soft sheen. Studland will be sold (and checked) on its face side unless it is specified at the time of purchase that the reverse is being used.
